ABOUT US

Our history started at 2019, when two friends tried to make their first investments on Forex. Since then the team grown up to 19 people and everyone of us is a real professional. Pocketmeasure gathered the talented analysts, successful traders, IT-specialists. We went a long way towards creating a hedge fund: accumulated experience, collected statistics, created strategies. Now we can say that each of us is a successful person. But the Pocketmeasure employees are not staying still. The desire for constant growth makes us move on.

Our goal is to enter the market of big players. The initial investment portfolio has already been formed and we have a stable profit pool and obtained the status of an officially registered company in the Republic of Denmark. But it's time for the next step. We offer our clients to use our experience and knowledge to generate income. This will make us the leaders in the investment market. Our mission is to get a long-term return on each investment by minimizing risks. Pocketmeasure builds only safe, transparent and honest relations with its investors. We believe that this is the only way to achieve our goal. The Bitcoin distribution went beyond the bounds of economic laws. Cryptocurrency gives freedom and financial independence. A/An business/Investment strategy is the means by which it sets out to achieve its desired ends. You have ideas, goals, and dreams. We have a culturally diverse, forward thinking team looking for talent like you and make your dream come true. Pocketmeasure is an investment firm providing a stable inflow of profits, as we are always researching for new, more guaranteed and profitable operational methods. "We believe in the future of cryptocurrency, because it entered the exchange markets on a strong note. Success in this sphere is assured to everyone, who gets the hang of managing risks in this sphere. " The activity of the real Company is the sustainable Management of participations in any Real Estate, shipping, Financial, Commercial and also deal with trading and mining on top Government bonds and recycling of waste products and oil ribs to pay their Investors. Pocketmeasure has been in existence since 30th May, 2021 and we are here to stay Pocketmeasure is an established platform of highly skilled Personnels, who have acquired extensive practice experiences and credibility in Investment and Bitcoin trading. Pocketmeasure has established a strong investment track record with expertise in conventional fund management. All subsidiaries of the Pocketmeasure are wholly owned entities which are regulated. Pocketmeasure was appointed as an investment manager to its first portfolio in the year 25th July, 2021. Since then the assets under management have grown prodigiously as a result of the company's commitment to client service and the consistently superior performance of the investment team. As the assets under management continue to grow, the Pocketmeasure has expanded and evolved to facilitate this growth and to ensure that effective fund management of the highest standard continues to be entrenched in the company's mission to meet the needs of Pocketmeasure's clients.
